

Environmental, Health & Safety Policy

We at “Almeer Technical Services Company” are committed to safeguard people & environment and carry out our business operations in a manner that meet & exceed the legal & other applicable requirements.

This commitment is in the best interest of all our clients, customers, and employees, contractors, shareholders, stake holders, Society and other interested parties associated with our business.

We are committed to achieve these objectives by:

- ❖ Mitigating the environmental impacts of our operations, products & services aiming at protection of environment by prevention of pollution, sustainable resource use, and by applying appropriate control measures on process emissions.
- ❖ Providing safe & healthy working conditions for the Prevention of work related injury, ill health and incidents
- ❖ Fulfilling the compliance obligations with respect to legal, statutory, contractual and other applicable requirements
- ❖ Continual improvement of Environmental, Health & Safety performance
- ❖ Effective waste management that prevents pollution & health risks with the perspective of service life cycle.
- ❖ Imparting Environmental, health & safety training and creating awareness among employees with respect to environmental aspects and to eliminate occupational hazards and reduce OH&S risks.
- ❖ Consultation & participation of workers or their representatives
- ❖ Complying with the requirements of Environmental, Health & Safety Management System standards ISO 14001 & ISO 45001
